CARE HOME

Welcome To Our Newsletter

The cooler months of autumn are upon us now and the beautiful colours are starting to show. As always we have a lot going on in our home and we look forward to sharing all we have been up to...

We cannot however overlook the death of Her Majesty Queen Elizabeth II, this has had a profound effect on our residents and staff and we have taken time to mourn, reflect and be thankful for her life and service.

If you know someone who would like to receive our email newsletters/ updates just let us know, or forward them the newsletter sign up link below:

Out & About

Change of Scenery

We have made the most of the remaining summer days by taking trips out and about. From the People's Palace to Loch Lomond, we had great days to treasure. Anyone fancy a paddle?

When not further afield we also enjoy a stroll around our local community, taking in the fresh air and sunshine!

This little friend also enjoyed the scenery...

Something For Everyone

Keeping Busy!

We have a wide and varied activities program for our residents to take part in, this keeps us busy mentally and physically. Recently we have enjoyed the Mens Club, colouring, light household chores, movie afternoons and a good song and dance!

Visiting Loved Ones

There is nothing better than watching our residents' faces light up when a loved one walks into a room. So much joy when family and friends gather together for some quality time.

Recent Celebrations

We would like to extend many congratulations to our resident who has just celebrated their 60th Wedding Anniversary. Here's to many more happy years together.

We have also had some birthdays to celebrate in the month of September. Here at Westerton we aim to make each birthday individual and special for each of our wonderful residents. We also enjoy making birthday cards for those we hold dear...
