Christmas Advice

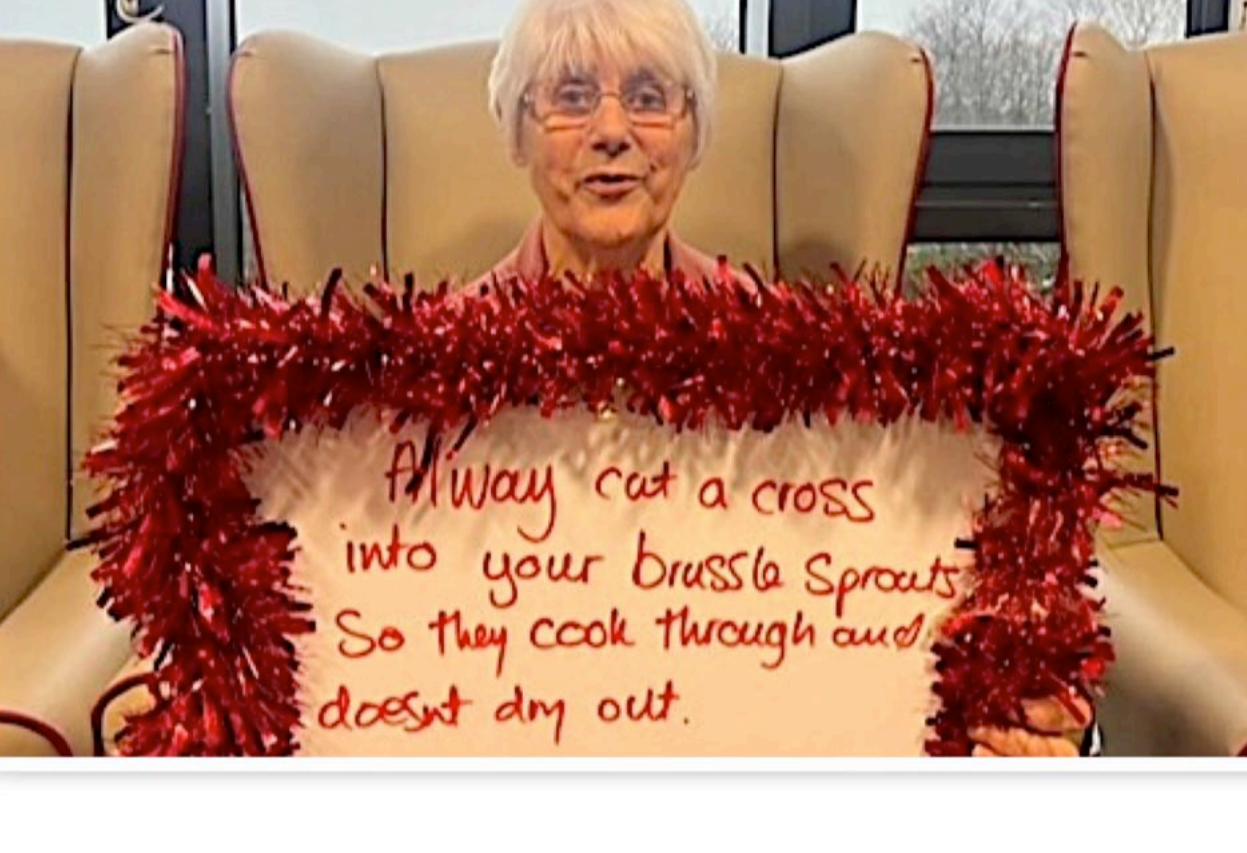

Festive Fun

Lately, the atmosphere at Westerton Care Home has been nothing short of festive and joyous. As we gear up to celebrate the most wonderful time of the year, our residents have been sharing their pearls of wisdom and offering us valuable insights on how to make the most of the holiday season.

Their collective experience and wisdom have proven to be an invaluable asset, as they impart their knowledge and give us some of the best Christmas advice we've ever received.

Their enthusiasm is infectious and we can't help but feel uplifted by their positivity and festive spirit.

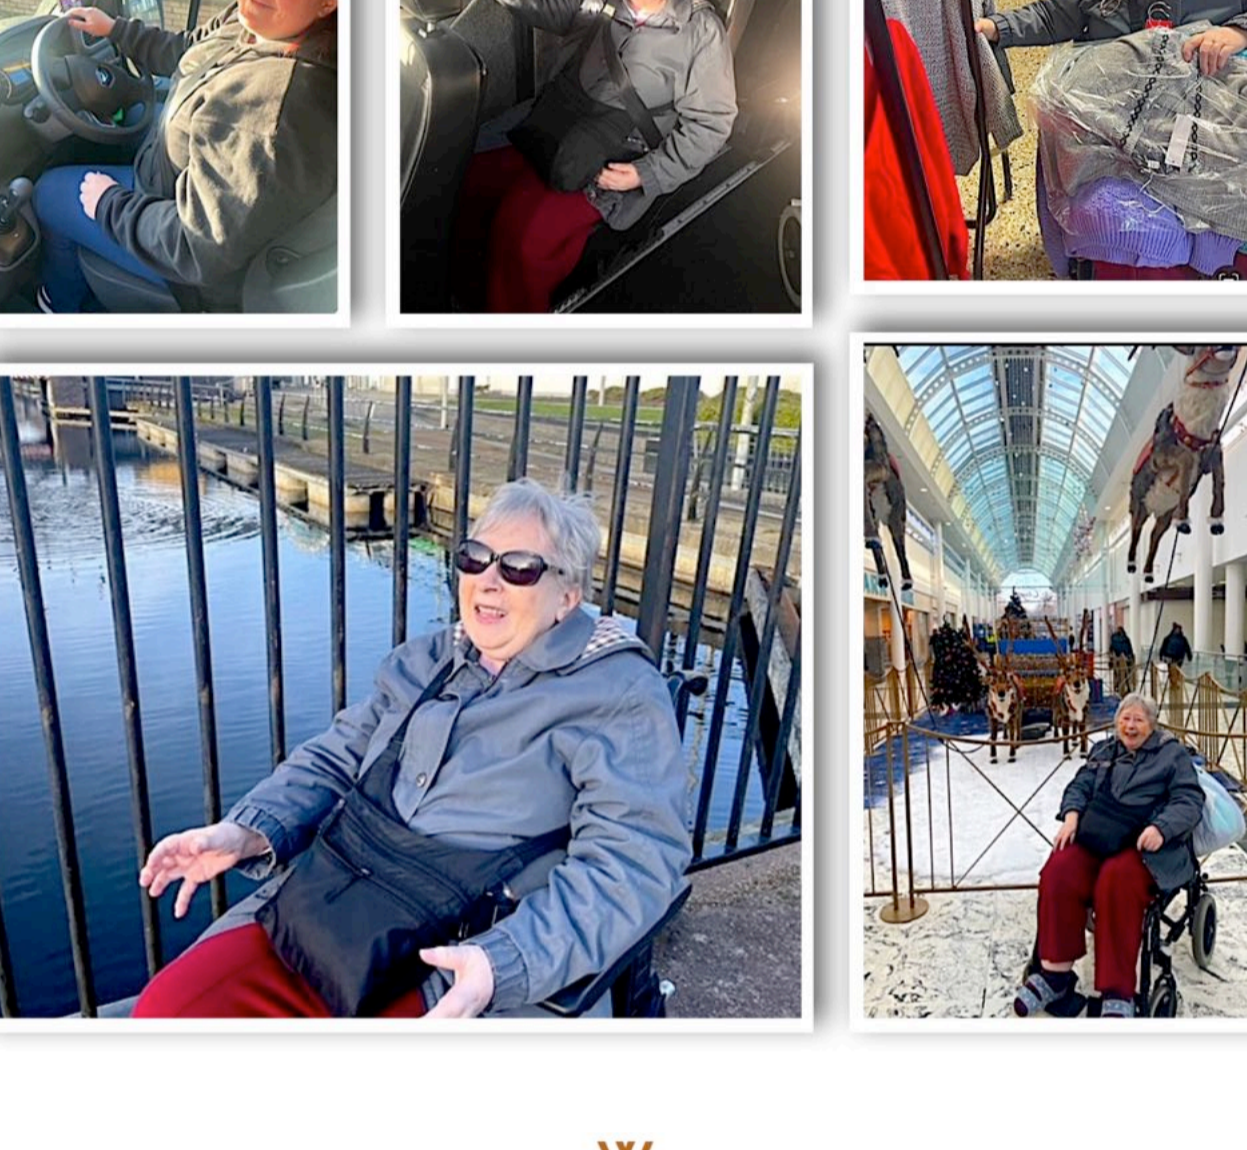

Christmas Wish

Retail Therapy

One of our lovely residents, Christine, expressed her desire to go shopping and prepare for the upcoming Christmas festivities. Considering her safety and comfort, we decided to accompany her on the trip with our latest addition - a brand new minibus exclusively for the residents of Westerton Care Home. We are excited to share that the exterior of the bus will soon be adorned with our signage, and we will be happy to share images when we have them.

St Andrew's Day

Good Times!

Our care home was filled with joyous sounds of bagpipes as we celebrated St. Andrew's Day on Thursday, November 30th. It was an occasion of great significance for us and we were thrilled to mark it with such a memorable event. The captivating melodies of the bagpipes echoed through the halls, creating a festive atmosphere that brought smiles to the faces of all our residents and staff. It was a wonderful way to honour Scotland's patron saint and showcase our appreciation for our Scottish heritage.

Staff News

Warm Welcome

We are thrilled to welcome our newest team member, Nicole, who will be serving as both an Activity staff member and Minibus Driver. It's always exciting to bring new talent on board and Nicole is no exception.

In the picture, Nicole is beaming with enthusiasm and ready to take on the challenges ahead. Her passion for working with people is evident from the get-go and we're confident that she'll be a valuable asset to the team. Whether she's organizing activities or transporting our residents to various destinations, we know that Nicole will go above and beyond to ensure everyone's needs are met.
