### Café and the Cinema: A Social Haven for Westerton Residents

At Westerton, we understand the importance of socialising for our residents. That's why we have created a warm and welcoming environment where they can spend time together and make new friends. Our on-site café and cinema are firm favourites among our residents and they enjoy spending quality time there.

## All Inclusive Service

## News & Updates

### All Inclusive Service: Daily Newspaper Delivery

We believe in providing the best possible services to our residents. As part of this commitment, we offer an all-inclusive service where all residents can request their choice of daily newspaper, and our staff will deliver it to them throughout the day. This service ensures that our residents stay informed and connected to the world around them.

## Branding

## Out & About...

### Branding: Promoting Westerton within the Community

At Westerton, we take pride in our care home and want to promote it within the community. Recently, we purchased a new minibus that has been branded with our logo and we have also introduced new fleeces for our staff to wear when they're out and about. This will help us grow our care home by promoting it in and around our community. Additionally, our residents will benefit from more social outings with a regular outing plan in place.

## Relatives' Meetings

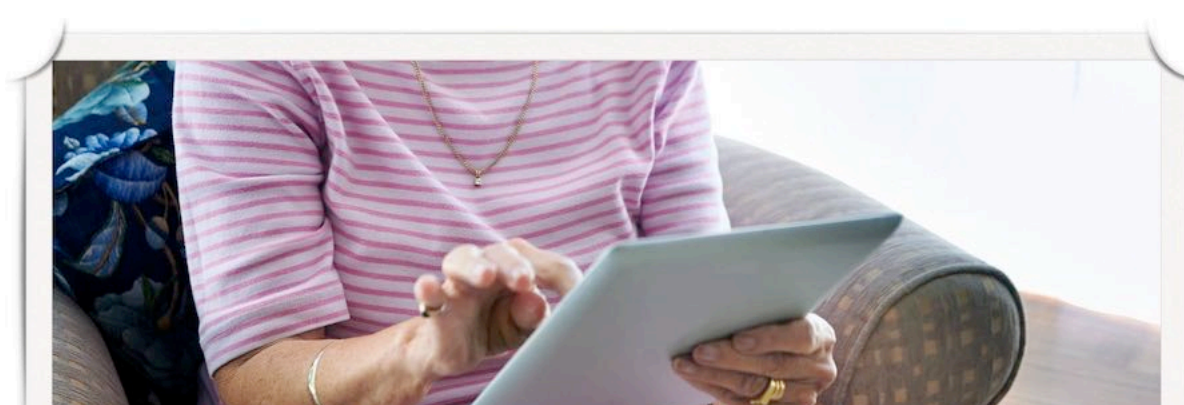

### Relatives' Meetings: Stay Connected with Your Loved Ones

We understand the importance of staying connected with loved ones, and that's why we have organised relatives' meetings. These meetings provide an opportunity for relatives to meet with our staff and learn more about our facilities and services. We encourage all relatives to attend these meetings to stay informed and connected.
